Colonel Knigge, commander of the Russian detachment at Kashin, has sent a telegram to Teheran that his ictachment was ready to resume its advance on Teheran and would arrive at the capital in six forced day marches. The people at Kasbin are disposed to be friendly to the Russians. It is stated that the Teheran government has ordered disarmament at the capital.

The Russian reinforcements march ing from Djulfa to Tabriz have cov-ered about 15 of the 100 miles separating the two places. It is expected that greater speed will be made from this on, as a number of automobiles running regularly on the Tabriz-Djulfa road have been pressed into commission, as well as a platform car capable of transporting fifty or sixty men,

SURVEY OF BELMONT MINE BEING MADE

J. R. King, chief mining engineer of the Tonopah Belmont and the Goldfield Belmont Mining companies, accompanied by a couple of surveyors, arrived this morning from Tonopab, The immediate mission is to make some underground surveys for the bet ter direction of the mining work being done. This, it is expected, will be ac-complished during the day.

Mr. King stated that the developments of the ore were looking fine and that just now drifting was being done from the bottom of the winze from the 300 level. This showed that the vein was much stronger and indicated that the shoot of ore will be greater in length than it was found above. The rich values are in seams which at this depth aggregate about three feet f high grade. NEW SALT **COMPANY**

The Montello Salt company has been busily engaged since the settle ment of its right to the great beds of salt near the shores of the Salt court of the United States and the shipping period is near at hand. Recently a large number of salt sacks were sent to the works along the line of the Western Pacific and it is a certainty that shipments will begin by the first of the year.

Judge Corn states that the company as many salt orders to fill and that there soon will be enough salt taken from the beds to fill most of them. The first shipment of salt will be in crude form, there having been no machinery for refining it placed on the works, but a refinery will be built

at a later period. The possible tonnage at the Mon-tello sait beds scarcely can be calculated, the officers of the company say. The top salt is crystalized and coarse but it is readily used for ordinary purposes. To refine it and prepare it for the table, it is necessary only to crush it to a greater tegree of fineness and then, by means of fans, remove the dust from it

Preparing to Care For Wounded.

PEKING. Dec. 24.-Word comes rom Pao Ting Fu, one of the important military centers, that the hospitals there are making preparations to care for many wounded, expected to e brought there soon.

This, along with other signs, is taken to indicate that the imperial government intends to renew hostilities It is believed that Premier Yuan Shi Kai sees the hopelessness of the peace conference now going on at Shanghai and evidently desires to repeat the moral effect of the capture of Han Yang by retaking Wu Chang, under present conditions, should fall easily to the imperial-

An edict issued in the dignified terms that have characterized such documents since Yuan Shi Kai accepted the premiership confers post-humous honors on the imperialist commander who commits suicide when the city of Sho Chow was captured by the rebels. This is one of the many such honors recently bestowed by Premier Yuan, which the former regent did not dare to bestow and it means that Yuan Sho Kat has not been intimidated. Thirty-four quequeless rebel prisoners have reached Pao Wing. This has aroused comment as prisoners are seldom taken The Chinese have difficulty in understanding the western idea of capturing and

caring for prisoners. A reliable Chinese report has been received from Chung King that Tuan Fang's head is being taken to Hupeh for ransom. Tuan Fang formerly was director of the Hu Kwang railroad. He had recently been appoint-ed viceroy of Szechuen province, and, according to information reaching the missionaries at Chung King, was killed by his own soldiers at Tuan Fang discovered that his troops were disloyal and after attempting to bribe the officer tried to escape in company with his brother. But the soldiers hacked them to pieces.

One hundred thousand neonle, singing with solemn exultation, joined tonight in the Christmas hymn of faith and adoration, standing bareheader under stars that smiled down as kind ly as they did over Bethlehem nine teen centuries ago. They sang from the city's heart, where Market, Kear-ney, Geary and Third streets meet. sang from the windows and the dimiy visible tops of tall buildings that cluster about the square of open ground and while they sang the traffic of the city paused until the great chorus

ended in a solemn "Amen." The singing of "Adeste Fideles" came at the conclusion of the city's open-air celebration of Christmas. It followed a full program of music rendered by a trained chorus and the members of the French opera company, which is holding its winter sea son in San Francisco. Jan Kubellk, the violinist, played to the vast audi-ence crowding the radiating streets with a solid mass of humanity; David Bispham, the baritone, sang to them the chorus voiced its glad Christmas caro's, and then the great voice of the multitude lifted the rolling melody of the hymn before the thousands senarated, each to make Christmas cheer in his own particular niche in the Singers and chorus occupied a low
